

CATHOLIC PARISH MEMBER VERIFICATION FORM

St. Stephen Catholic School mission is to educate the whole student in mind, body, and spirit as we provide a faith-based community that assists children in developing a Christian conscience and attitude along with an understanding of the Catholic faith, centered in the teachings of Jesus Christ. St. Stephen parishioners share in this commitment not only through prayer and encouragement but through their financial support as well. It is important for all families to realize that the parish subsidizes each and every student and therefore should understand the importance of then supporting the parish.

To receive the subsidized "Catholic Tuition" rate a family must:

- *Have at least one parent who is baptized Catholic*
- *The parent/guardian and children are registered members of St. Stephen Parish or another Catholic Parish*
- *Attend Weekend masses*

Non-participating unregistered families will be charged the "Non Catholic" tuition rate. Once a family is transferred to a Non-Catholic Rate, the matter will not be addressed until the following year.
