

On May 6, 2022, we will be taking a whole-school field trip to the Toledo Zoo. After speaking with our amazing Parent Support Group (PSG), they have decided to cover the cost of the trip! We are so blessed that our PSG is able to fund our exciting trip; all those pizza kits and ham fundraisers are worth it!

We wanted to send out a few notes explaining how the trip will be covered.

- The trip will be free to all students at St. Stephen Catholic School. Siblings who do not attend our school cannot join us on this trip.
- Only parents who have had background checks and have the "Protecting God's Children" certification are allowed to take part in this field trip.
- All chaperones will be covered for the trip as long as they are chaperoning one or more students. If they would like to attend but do not chaperone, they will need to pay the \$16 entrance fee. *(If you have a question about this, please contact your child's teacher for clarification.)*
- Parking will be \$10 per car (not covered by the PSG)
- If you have a membership to the zoo, please attach a copy of your membership to the permission slip when returned.

Permissions slips will be coming home with your child today, and are due April 12, 2022.

We are so excited for the upcoming trip! Thank you again to the PSG for making all of this possible. Our teachers and students are so blessed to have you.
